Dear Mel,

Thank you for the opportunity to be of service to those in Bay View and the Esk Valley facing ongoing clean up and disposal work in the coming months and years.

We've attempted to give price indications only as general waste is weight based and, provided the Council Silt sites do not charge a disposal fee that product could be moved fairly economically – there may be exclusions or additional costs if silt is contaminated with general waste.

In all cases the person ordering any bin service will be liable for the full costs incurred in the event their insurers or any fund application to any entity fails to make payment for the bin. Credit card details may be required at the time of ordering – or confirmation from the third party that payment will be made.

**CLEAN EARTH CAN SUPPLY AND SERVICE – FOR GENERAL WASTE – as per our website;**

[www.cleanearth.co.nz](http://www.cleanearth.co.nz)

## Front Load bins

Our open topped 3.0m<sup>3</sup> - 4.0m<sup>3</sup> Front Load Bins are suitable for small clean ups at home of general household waste.

- Rural areas may attract mileage fees
- 3-5 day hireage
- Long term hireage available
- Extra empties available
- 400kg of dump fees included per empty
- Overweight dump fees may apply
- We also collect your Flexibin
- contact us for a quote – PRICE INDICATION \$370.00 - \$850.00 (determined by product/number of empties/location)
- NOT SUITABLE FOR SILT

**\*\*All prices quoted are confidential, inclusive of GST and valid for 90 days – prices are subject to change without notice due to government levies or Municipal landfill price increases\*\***

## Skip Bins

Our 9.0m<sup>3</sup> & 5.0M<sup>3</sup> Skip bins and 6.0m<sup>3</sup> – 15m<sup>3</sup> and 20m<sup>3</sup> Hook bins are suitable for your weekend or week long clean up of bulky and unwieldy waste types; furniture, appliances and large articles not suited to the Casual Front Load bins.

- Napier and Hastings
- Rural areas may attract mileage fees
- 3-5 day hireage
- General waste clearance
- Home renovation
- Estate clean ups
- Garden clearance/hedge trimming
- 2 tonne of dump fees included on general waste
- 5.0M<sup>3</sup> SKIPS and 6.0m<sup>3</sup> HOOKS are the most SUITABLE FOR SILT
- contact us for a quote – PRICE INDICATION \$495.00 - \$1100.00 on skips (determined by product/disposal site access/bin size)
- contact us for a quote – PRICE INDICATION \$495.00 - \$1620.00 on Hooks (determined by product/disposal site access/bin size)
- 3 tonne of general waste disposal fees are included in hook bins sized over 6.0m<sup>3</sup>

## Hook Bins 6.0m<sup>3</sup> Hooks Are suited to Silt removal

**\*\*All prices quoted are confidential, inclusive of GST and valid for 90 days – prices are subject to change without notice due to government levies or Municipal landfill price increases\*\***

We are happy to speak with anyone that has a particular waste problem on their property and find a solution for them and understand that we may not be the right choice for some types of disposal, but are happy to work with those effected to find the right solution for their particular on site issues.

We've provided guidelines on price only here as all disposal problems are unique but hopefully the information provided is of assistance.

We are locally owned and operated and have been servicing the Bay since 1986.

Like many of you, we too were affected by the ravages of the cyclone and are happy to help wherever we can.

Thank you for considering Clean Earth Ltd for your waste disposal requirements.

Yours sincerely,

Deborah Burnside  
Business Manager
